

World War III Is Necessary To Achieve World Government

by David J. Stewart | February 2014

***"For the mystery of iniquity doth already work:
only he who now letteth will let, until he be taken
out of the way."** —2nd Thessalonians 2:7*

I was listening to Scholar Joel Skousen. China will be our number one enemy someday. Yet, the United States have been sending weapons and technology through Israel to China for many years.

On the Friday, February 28 edition of the Alex Jones Show, Jones breaks down Russia's decision to conduct various snap combat readiness drills, as the soviet nation confirms it has moved troops into Crimea. Alex also examines how Ukraine's "revolution" guided them right into the hands of the IMF, the globalist organization that wrote the playbook on how to loot nations of their wealth and infrastructure. On today's show, Alex speaks with world renowned relocation consultant, publisher of World Affairs Brief and author of Strategic Relocation: North American Guide to Safe Places, Joel Skousen about the developments in Crimea and Ukraine and how the global elite plan to pilfer the country dry. Alex also invites American political news commentator and editor-in-chief of The Daily Caller, Tucker Carlson to discuss why the public is tuning out mainstream news networks and turning in to real, unfiltered alternative and independent media.

There will likely be a nuclear strike by the year 2020. We don't know for certain, but we do know that World War III is coming. History teaches us that the globalists (Zionist - Marxist - Freemasonry - Bohemian Grove - Skull and Bones - Communist - International Banking Cabal... THE BANKSTERS!!!) always fabricate a false flag terror attack to justify going to war. We now know that the Tonkin Incident was staged, which was used as a pretext to drag the U.S. into the Vietnam conflict, killing 58,000 innocent American men.

America must be destroyed, for only out of the ashes of society can a New World Order arise. Dr. Jack Hyles preached an incredible sermon way back in 1970 that was ahead of its time. Brother Hyles knew that America needed to be destroyed in order for the Antichrist to rise up from the ruin as a false messiah ([DOWNLOAD MP3](#)). I've also written an article as a sermon review and to help get the vital information out to the world. YOU WILL BE BLESSED and your eyes will be opened my friend.

Already, new weapon's systems, unmanned drones, new aircraft carriers and all sorts of advanced technologies are being upgraded and implemented. Many new weapons are being designed and built. The whole of man's knowledge doubles every 8-years!!!

The reason why the Globalists want to bring a nuclear strike onto American soil is that it's the only way to get the American people to go along with a New World Order (world government). To keep everything militarized, the Globalists have to have enemies big enough. They do have secretive space weapons and incredible technology.

After World War III we are going to have a POWERFUL global government, a global military, a new global currency, a global tax system, a global religious philosophy that

most churches ascribe to, et cetera. At the top this is a satanic conspiracy (2nd Corinthians 4:4).

America Must Be Destroyed

Sometimes the only way to rebuild something is to first tear it down. Such is the case with the United States. The reverse of every U.S. one-dollar bill contains numerous displays of the number 13, which represents death and total destruction.

- 13 leaves in the olive branch
- 13 bars and stripes in the shield
- 13 arrows in the right claw
- 13 letters in the "E Pluribus Unum" on the ribbon
- 13 stars in the green crest above
- 13 granite stones in the Pyramid. (The 13 layers represent the 13 Illuminati bloodlines)
- 13 letters in Annuit Coeptis

Most people don't realize just how powerful music is and the Communist agenda behind the music industry. The Beatles were deliberately brought to America to morally subvert our culture, changing the values of our youth. Hindsight is 20/20. It is clear today, a half century later, that Rock music has been used to CHANGE American society from one of character, faith in God, loyalty to country, respect for authority, wifely obedience, children obeying parents and individuality; to a decadent culture of sexual perversion, abortion, substance abuse, lack of character, divorce, broken homes, homosexuality and despising dominion (authority). Music is one of Satan's most effective evil weapons, next to wicked television and the evil newsmedia...

Contemporary composers of rock music all agree that their creations have immense power (The majority of facts and references quoted later, have been drawn from the book The Facts on Rock Music, John Ankenberg and John Weldon, Harvest House Publishers, Eugene, Oregon USA 1992). For example, Frank Zappa wrote in Life magazine: "The ways in which sound affects the human organism are myriad and subtle... the loud sounds and bright lights of today are tremendous indoctrination tools" (Life magazine, June 28, 1968). Slash, the lead guitarist of the Guns n' Roses declares, "I mean, this is serious. It's my music affecting the lives of people you don't even know, which is definitely a scary thing. To have that much power" (Eric Holmberg, The Hell's Bells Study Guide, Gainesville, FL Reel to Reel, 1990). One of the first distributors of rock music, Hal Ziegler wrote in the 50's "I realize that this music got through to the youngsters because the big beat matched the great rhythms of the human body. I knew it and I knew there was nothing that anyone could do to knock that out of them. I further knew that they would carry this with them the rest of their lives" (Life magazine, June 28, 1968).

Music has been used to lower America's moral standards, desensitizing our nation's youth to embrace all forms of sexual immorality, substance abuse and rebellion. It's all intended by the secret Masonic powers hellbent on destroying America to build a New World Order. In order to build something, you first have to destroy it! That's what we are witnessing happen today in the United States... THE FALL OF THE REPUBLIC! In Latin, on the reverse of every U.S. one dollar bill, it says, "Order Out Of Chaos." The Masonic symbols were placed on our money in the 1930's. The New World Order has officially been in planning since 1775, as set forth by Adam Weishaupt's Illuminati organization and writings.

The Revolutionary War in 1775 was not a mere coincidence, but part of the conspiracy to set in motion a new nation and a secret destiny. The plot has been carried forth by occult groups, primarily freemasonry and support groups such as Skull and Bones, Bohemian Grove, Rosicrucians, The Council Of 13 and others. These demonic groups, inspired by the Devil, control the music and entertainment industries. They control the newsmedia, the court system in America, the military, the prison system, the illegal drug trafficking, pedophile rings, apostate churches and false religions like Mormonism and Roman Catholicism, and our federal government at the highest levels. Satan is the god of this evil world.

Heavy Metal Rock Bands All Work To Destroy America

ALL heavy metal bands, albums and songs promote a centralized theme of destruction, murder, blood and guts, suicide, insanity, death and ruin!!! It's all about destruction!!! The number thirteen (13) is worshipped by these bands, which represents death and destruction. I heard Dave Mustaine, founder and frontman of MEGADETH on July 26, 2001, claim that Jesus Christ has been his Lord and Savior. I have serious doubts of Mustaine's salvation because he is still 100% involved with hardcore, heavy-metal music industry (which is saturated with satanism)...

1st John 3:8-9, "He that committeth sin is of the devil; for the devil sinneth from the beginning. For this purpose the Son of God was manifested, that he might destroy the works of the devil. Whosoever is born of God doth not commit sin; for his seed remaineth in him: and he cannot sin, because he is born of God."

This passage of Scripture is referring to a lifestyle of sin. Every Christian commits sins, as evidenced by the Apostle Paul's struggle with sin (Romans 7:14-25). Albeit, there's something very wrong with a person who professes to be a Christian, but they boast of being a lesbian or of being a hardcore rock star. They're not in Jesus Christ. No one who defends their sins is saved. You don't have to give up your sins to be saved, but you do have to admit that you're a sinner. That naturally prompted me to research some of Mustaine's recent music. I wasn't surprised to find that Mustaine's latest album is titled **TH1RT3EN**. The number 13 is revered by hardcore satanists and heavy metal rockers, because the number represents death, suicide, killing, total destruction!!!

The Mentally Deranging Power Of Rock-And-Roll Music (non-Christian website)

Dave Mustaine claims that he loves God and country. If he truly loved God, then he would forsake the Devil's music industry of heavy-metal satanism. I did in-depth research exposing Mustaine and the dark depths of Satan behind his music. Dave says, "It is what it is" (July 26, 2012 - The Alex Jones Show; yes, you are right Dave... your works are demonic offerings to Satan! I won't argue with Mustaine, but God's Word says what it says. I've noticed that homosexuals, abortionists, pornographers and heavy metal rockers all say the same thing, that is, they accuse Christians of having judgmental opinions, but they totally fail (or refuse) to recognize that we are simply preaching THE WORDS OF GOD. It's not my opinion... it's God's Word! But they don't believe!

I believe Mustaine sold his soul to the Devil decades ago and can't get out without ending up penniless (read my article on MEGADETH and you'll see why). Why else would he profess to love God and country, while simultaneously destroying faith in God and hurting his country. Heavy metal destroys men's souls.

Nikki Sixx of Motley Crue comments: "We never set out to be anybody's role model. But since we have become that, we are trying to give our fans something to believe in. On the second album, we told them to "Shout at the Devil." A lot of people... think that song is about Satan. That's not true. It's about standing up to authority, whether it is your parents, your teacher or your boss. That is pretty good advice, I think. But I'm sure that any parent who hears it is going to think it is treason" (Rock Beat, 1989 p. 41). [emphasis added]

The dark truth behind the music industry, particularly Rock music, is to change the values of youth and steer them to accept a New World Order. In order to achieve this it is absolutely necessary to remove every bit of loyalty to God, country, parents, family and individualism. The Rock singers admit this themselves...

It is known that from its very beginning, rock music was rebellious in content, defying parental and societal authorities. Today some of the newer rock groups are openly calling for the rejection of traditional Christian principles. In one of the earlier interviews conducted by the Rolling Stones magazine with David Crosby, from the group "Crosby Stills and Nash," he commented, "I figured the only thing to do was to swipe their kids... By saying that, I'm not talking about kidnapping. I'm just talking about changing their value system, which removes them from their parents' world very effectively." (Rolling Stone, vol. 1 p. 410). In the journal "Jesse's Starship," Paul Kanter confesses: "Our music is intended to broaden the generation gap, to alienate children from their parents ." (In Tinglehoff Documentation of Expose, p. 4). [emphasis added]

"America Must Be Destroyed," Says Rock Band "GWAR." One thing I learned a long time ago is that Rock 'N' Roll singers are filthy liars. Take for example Dave Mustang of MEGADETH, who professes to have become a born-again Christian around the year 2002. In 2012 Mustang released the album TH13RT3EN, which he says is purely coincidental mentioning the number 13, saying he just likes the number. Anyone familiar with the occult fully knows that the number 13 is revered amongst heavy metalists. The number 13 represents death, war and destruction. That's what Heavy Metal Rock all about, that is, the total destruction of the United States of America. That's why Heavy Metal themes frequently center around suicide, murder, destruction, blood sacrifices and Satan.

"Gwar is a satirical heavy metal/punkrock band formed in Richmond, Virginia, United States, in 1984. The band is well known for its elaborate science fiction/horror film inspired costumes, obscene lyrics and graphic stage performances, which feature humorous enactments of politically and morally taboo themes."

The sicko Rock band GWAR has sold over 30,000,000 albums in the United States. The band produced an album called, "America Must Be Destroyed!" The band LIES about the intent of their title and makes the following lame and bizarre excuse...

"The lyrical content in *America Must Be Destroyed* was greatly inspired by Dave Brockie's fight with police officers while touring in Charlotte, North Carolina, in 1992. The controversy revolved around Brockie's rubbery penis adornment. Brockie was revolted by this attack on his rights and so he created a concept album revolving around an elite "Morality Squad" that attacked the members of Gwar and stole Oderus's penile attachment (a.k.a. Cuttlefish of Cthulu, a phallic hell beast that normally dangles from his crotch)."

The truth is that singers very often LIE through their teeth about the true satanic, destructive, immoral intents of their music to counter criticism from parental advocacy groups wanting to protect their children from the sicko music industry. It's not just the music industry; but rather, the entire sick-minded entertainment industry, which is more than a hefty multi-billion dollar-a-year industry.
